ROAD SERVICES

Our Road Freight Products offer top-quality road transportation from essential services like LTL (Less-than-Truckload), PTL (Part), or FTL (Full-Truck Load) shipping to temperature-controlled and extremely secure transports.

The transport of your cargo seldom starts or ends in an airport. As a top logistic integrator with an unbeatable worldwide network of partners, we can offer the most comprehensive end-to-end transport solutions. SALINAS DENIZCILIK VE TAS. HIZM. LTD. STI. Land transport links major service centers and significant container ports with each other and to the world at large. With rail infrastructure and barges, ground transportation, and storage facilities, you will not be required to work with many suppliers or carry out multiple handovers. Take advantage of the convenience of complete deliveries from a single supplier and ensure that your supply chain is functioning to give you an edge.

The Regions We Serve;

- » Europe
- > Turkey
- Scandinavian Countries
- » Afghanistan
- » Russia
- » GCC
- » North Africa
- » Central Asia

SEA SERVICES

With our extensive product line, we offer a variety of equipment and consolidation services that ensure your cargo gets to the correct location on time, efficiently, and at a reasonable cost. To ensure the highest quality and reliability, we've planned the space security of all major container ports worldwide.

SALINAS DENIZCILIK VE TAS. HIZM. LTD. STI. combines a shipping background with its energetic and experienced staff, providing customer-focused and economical yet high performance services that do not compromise quality. Therefore Salinas' sea cargo uses FCL (Full Container Load) and LCL (Less Container Load) cargo transport between and to world ports.

In addition to FCL and LCL transportation, Salinas has recognized expertise, knowledge, and background, particularly on the ride of projects. The Chamber of Shipping backs every bill of landing (B/L) for transport.

RAIL FREIGHT SERVICES

SALINAS DENIZCILIK VE TAS. HIZM. LTD. STI. also offers Rail Freight Services secure, eco-friendly, reliable freight transport via rail, whether in Europe that connects Europe and Asia west- or Eastbound. LCL (Less-than-Container loads) as well as FCL (Full Container load).

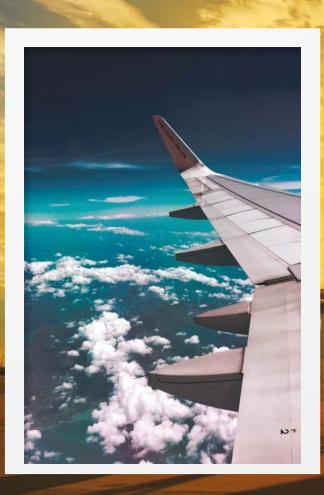

DHL RailLine - Full-Container-Load (FCL)

- » Regular departures from the major centers of business throughout Europe and Asia
- » An eco-friendly alternative for your FCL cargo transport
- » Services are available for container trailers, wagon groups, and block trains.

DHL RailConnect - Less-than-Container-Load (LCL)

- Fast & secure transportation of your Less-than-Container-Load (LCL) cargo
- » Regular departures from key business centers in Europe and China
- » Transit times that are defined and reliable
