[ABOUT US](#)[MISSION&VISION](#)[SOLUTIONS](#)[SERVICES](#)

About Salinas

We are one of Turkey's leading logistics service providers with over 20 years of experience. Together with our expert team and strong network of partners, we offer reliable and flexible transport solutions across sea, land, air, rail, break bulk, and project cargo. We operate in more than 600 destinations across 60 countries. By working closely with global and local companies, we continue to deliver tailored services with a focus on quality, trust, and customer satisfaction.

[ABOUT US](#)[MISSION&VISION](#)[SOLUTIONS](#)[SERVICES](#)

Our Mission

At Salinas Logistics, our mission is to deliver smart, sustainable, and dependable logistics solutions that empower global trade. As a family-owned company, we build long-term partnerships based on trust, agility, and a deep commitment to customer success. We move every shipment with care—no matter the size, route, or challenge—because your cargo is our responsibility.

Our Vision

We aim to be a leading logistics partner known for reliability, innovation, and integrity. At Salinas Logistics, we envision a future where supply chains are smarter, more resilient, and deeply connected—powered by our expertise, strong global network, and customer-focused mindset. We're here not just to transport goods, but to move businesses forward.

[ABOUT US](#)[MISSION&VISION](#)[SOLUTIONS](#)[SERVICES](#)

OUR VALUES

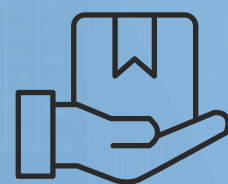

Trusted Partnerships

We build long-term, transparent relationships with our clients and partners based on reliability and mutual growth.

Team First

We empower our people with respect, responsibility, and a shared purpose — knowing that a strong team is the heart of every solution.

Cargo with Care

Every shipment matters. We handle each cargo with precision and dedication, as if it were our own.

Smart and Secure Data

We safeguard information with the same diligence as cargo — ensuring security, transparency, and efficiency in every process.

Planet-Conscious Logistics

We believe in a responsible logistics approach that minimizes environmental impact and invests in a sustainable future.

Innovation in Motion

We constantly evolve — embracing new technologies, ideas, and smarter ways to move the world forward.

[ABOUT US](#)[MISSION&VISION](#)[SOLUTIONS](#)[SERVICES](#)

Global Networks

At Salinas, we operate through trusted global alliances and professional networks that strengthen our logistics capabilities worldwide.

Our memberships in organizations like GLA, Neptune, Uconnect, and the Chamber of Shipping empower us to provide efficient, secure, and flexible solutions across international routes. These partnerships allow us to respond swiftly to your needs, access exclusive local expertise, and ensure seamless cargo movement across continents.

[ABOUT US](#)[MISSION&VISION](#)[SOLUTIONS](#)[SERVICES](#)

Sea Freight Services

With a wide range of equipment and consolidation options, we ensure timely, efficient, and cost-effective cargo delivery to global ports. We've secured space in all major container hubs to maintain reliability and quality.

Combining our maritime expertise with a dynamic team, we offer high-performance, customer-focused FCL and LCL solutions. We also specialize in project cargo with recognized know-how and trusted documentation backed by the Chamber of Shipping.

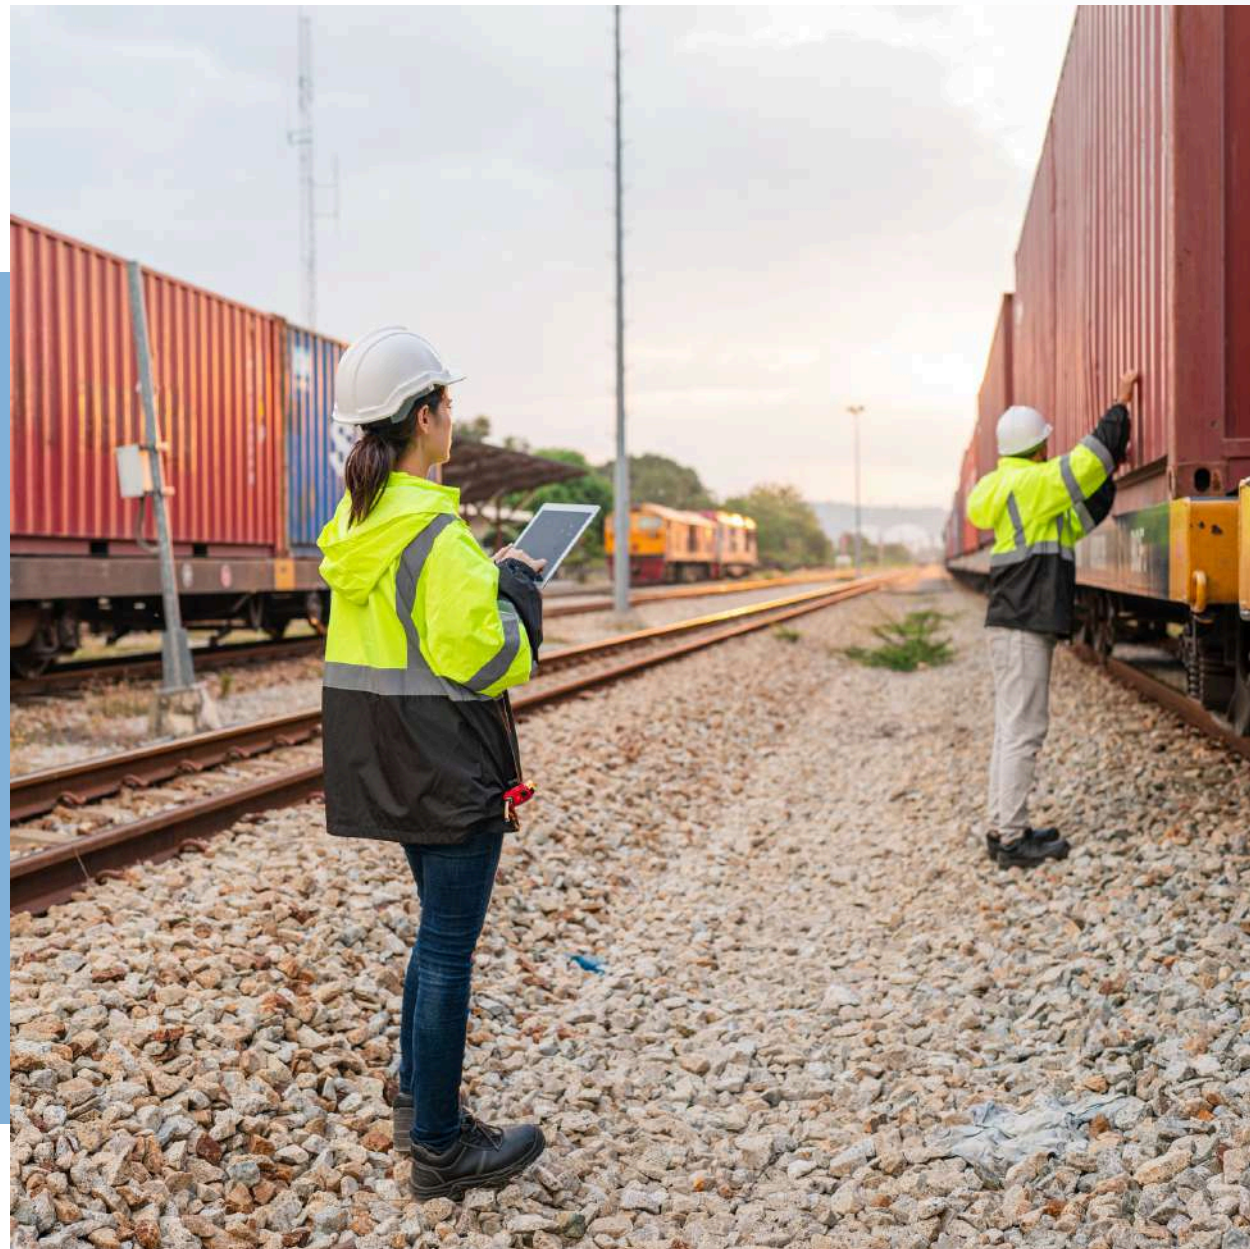

[ABOUT US](#)[MISSION&VISION](#)[SOLUTIONS](#)[SERVICES](#)

Rail Freight Services

We offer secure, eco-friendly, and reliable rail transport across Europe and Asia, for both FCL (Full Container Load) and LCL (Less-than-Container Load) shipments.

- Regular departures from major business hubs
- Defined transit times and dependable schedules
- Available for container trailers, wagon groups, and block trains
- A sustainable alternative to traditional freight methods

[ABOUT US](#)[MISSION&VISION](#)[SOLUTIONS](#)[SERVICES](#)

Air Cargo Services

With trusted carriers and scheduled operations on major global routes, we offer reliable and flexible air cargo solutions tailored to your needs.

- General & Valuable Cargo
- Temperature-Controlled Goods
- Hanging Garment Transport
- Transit & Cross Shipments
- Import / Export / Transit Operations
- Funeral Transport

OOG - Break Bulks Projects

Salinas provides complete Ro-Ro ship chartering solutions within Turkey and for international projects. We manage all transportation, loading, unloading, and lashing operations to meet customer-specific vessel requirements. Our expert team ensures safe and timely handling of oversized and heavy cargo throughout the entire logistics chain. We tailor each project with precision, complying with international safety and environmental standards.
